

# Application

## Consent for weapons and ammunition

### What is the purpose of this form?

You can use this form to apply for a consent for the export, import or transit of weapons and ammunition. With this consent you are permitted to have weapons and ammunition in category II or III exported, imported or conveyed in transit. The Dutch Weapons and Ammunition Act sets out which weapons are included in these categories.

#### Annexes

The copies you need to enclose as annexes are specified in the explanatory notes to this application. Is there not enough space under question 7? If that case, continue in the Annex for question 7. Place your name and signature on the annex.

#### Submitting

You can mail this form to: [drn-cdiu.groningen@belastingdienst.nl](mailto:drn-cdiu.groningen@belastingdienst.nl)

## Explanatory notes

### 1 Type of application

Tick which consent you require.

Export: leaving the territory of the Netherlands.

Import: entering the territory of the Netherlands.

Transshipment in the Netherlands: the goods leave the Netherlands in a transport other than that they entered the Netherlands.

### 2 Consignment country

State the country from which the goods were sent.

### 3 Destination country

State the country to which the goods are being sent.

Do you also return the goods (weapons and/or ammunition) to the consignment country? If so, tick 'Yes' at vice versa. This way, you will only apply for 1 consent which is valid for both the outward journey and the return journey. In other cases, tick 'No' at vice versa.

### 4b, 5b, 6b EORI or RSIN/tax number, or BSN

Are you a business client? Fill in the EORI number. Do you not have an EORI number? In that case fill in your RSIN or tax number. Are you a private citizen? In that case fill in your citizen service number (BSN).

### 4c, 4d AEO status and certificate number

Do you hold an AEO certificate? Give the state and the number of your certificate.

### 7 Weapons/ammunition

State here the usual trade name or description. Be as specific as possible so that the goods are clearly identified.

7g Directive category (A,B,C,D)

State here the category in which the weapon is placed according to the Council Directive of 18 June 1991 (91/477/EEC). The categories are:

#### Category A — Prohibited firearms

- 1 Explosive military missiles and launchers
- 2 Automatic firearms
- 3 Firearms disguised as other objects
- 4 Ammunition with penetrating, explosive or incendiary projectiles, and the projectiles for such ammunition
- 5 Pistol and revolver ammunition with expanding projectiles and the projectiles for such ammunition, except in the case of weapons for hunting or for target shooting, for persons entitled to use them

#### Category B — Firearms subject to authorisation

- 1 Semi-automatic or repeating short firearms
- 2 Single-shot short firearms with centre-fire percussion
- 3 Single-shot short firearms with rimfire percussion whose overall length is less than 28 cm
- 4 Semi-automatic long firearms whose magazine and chamber can together hold more than three rounds
- 5 Semi-automatic long firearms whose magazine and chamber cannot together hold more than three rounds, where the loading device is removable or where it is not certain that the weapon cannot be converted, with ordinary tools, into a weapon whose magazine and chamber can together hold more than three rounds
- 6 Repeating and semi-automatic long firearms with smooth-bore barrels not exceeding 60 cm in length
- 7 Semi-automatic firearms for civilian use which resemble weapons with automatic mechanisms and which come under category B, points 4 to 7

#### Category C — Firearms subject to declaration

- 1 Repeating long firearms other than those listed in category B, point 6
- 2 Long firearms with single-shot rifled barrels
- 3 Semi-automatic long firearms other than those in category B, points 4 to 7
- 4 Single-shot short firearms with rimfire percussion whose overall length is not least than 28 cm

#### Category D — Other firearms

Single-shot long firearms with smooth-bore barrels

### 8 Consignment method

8b Transport method

State whether the goods are being transported by air, road transport or vessel

8c Place of transit in the Netherlands

State the place where the goods are being conveyed in transit in the Netherlands.
